

MOHAMMAD AFFAN

WordPress Web Developer (CMS)

mohammadaffan956@gmail.com | 0343-2744927 | Karachi, Pakistan

Portfolio: mohammadaffan956.github.io/Affan | LinkedIn: linkedin.com/in/mohammad-affan-170843168

PROFILE SUMMARY

Motivated WordPress Web Developer with 4+ years of experience building and managing websites across WordPress, Shopify, Odoo, and Bubble.io. Skilled in converting PSD/XD/Figma designs into responsive, SEO-optimized websites, leading small development teams, and improving organic visibility through on-page and off-page SEO, including backlink building and internal linking strategies. Looking to contribute technical and leadership skills to a growing organization.

WORK EXPERIENCE
